WHO IS ROSEMARY MARCHANT?

Rosemary is a true snowsports lover and adventurer, always on the lookout for the best ski experiences around the world. But she also has a special connection to Perisher Valley as the proud owner of Kooloora Lodge, a luxurious accommodation option in the heart of the snow. Kooloora Lodge boasts easy access to ski lifts, an on-site licensed restaurant, and cozy rooms with free Wi-Fi and private bathrooms. WHY PERISHER?

Perisher Valley is the ultimate snow destination in Australia, boasting four resort areas and more than 3000 acres of interconnected skiable terrain.

You can spend your days exploring **Perisher Valley** and then venture out to discover **Blue Cow**, or start your adventure at **Smiggins** and ski your way to **Guthega**.

We've got you covered with everything you need to know, including the best places to eat, where to get lessons, and the top terrains to enjoy.

WHAT IS IT?

The term "Après Ski" originates from the French language and literally translates to "after ski". It was first popularised in the 1950s during the commercial rise of skiing in the Alps. The phrase refers to social activities and entertainment that take place after a day of skiing.

Après Ski is that magical time of a ski holiday where you can take off your snow boots and enjoy round two of the fun. This usually occurs after the last ski run of the day, and you can drop in for Après Ski in your ski gear. How long it lasts is entirely up to you!

If you're looking for great Après Ski options, Perisher Valley is Australia's biggest Snow Playground with plenty of choices to keep you entertained.

W H Y ?

Après Ski is the best part of any snow trip! It's all about kicking back with your friends, enjoying some food and drinks, and sharing stories from a day of skiing or snowboarding. I've been coming to Perisher since I was just a little kid, and now I live here In Perisher at Kooloora Lodge. So believe me when I say, there's no better place to experience the ultimate Après Ski scene than right here in Perisher Valley! I have traveled extensively to ski destinations around the world, and it's common knowledge that each location has its own popular Après Ski spots. However, in Perisher, the best Après venues aren't widely known. So, I've created an e-book that covers all of the top spots for Après Ski in Perisher Valley. Enjoy!
